*znanost se tiče promišljanja, a vjera otajstva ...*

Seriya predavanja *Vjera razumu*: 1. predavanje

**Professor Clemens Cavallin**

Faculty of Education and Arts, Nord University

*Useful religion*

*The Tension between Cultural Heritage and the Sacred*

In this talk Professor Clemens Cavallin discusses critically Christianity as a cultural resource in Europe with the help of polls on the importance of religion, the number of people who self-identify as Christians and in what they actually believe. The main argument is that if Christianity is to have a significant cultural and political impact in Europe in the future then the idea of it as a valued cultural heritage is not enough.

**Predavanje će se održati na Fakultetu filozofije i religijskih znanosti Sveučilišta u Zagrebu (Jordanovac 110) u dvorani *Antuna Bauera* u srijedu, 4. svibnja 2022. s početkom u 12:00 h**

Veselimo se Vašem dolasku
